

NEW YEAR TOPIARY

Created By Chris Horne, Amscan International Limited.

Product Required:

- 6 x 11” Ebony Anagram Decorator Latex Balloons (990052)
- 6 x 11” Stars All Over / Glamorous Gold Anagram Decorator Latex Balloons (990641)
- 3 swirls from a pack of “Lights, Camera, Action!” Streamin’ Swirls (670077)

Construction Method:

1. Inflate 3 duplets of the Glamorous Gold printed balloons with helium, sizing to 11”.
2. Repeat step 1, this time with Ebony balloons.
3. Wrap all the duplets together to create a 12-balloon topiary ball, ensuring that all duplets cross the middle of the developing ball and that all the knots remain together in the centre. Fly the finished ball on monofilament line, attached to a suitable anchor.
4. Arrange the balloons so that one ebony balloon is surrounded by 5 gold, and the remaining gold is surrounded by the remaining 5 Ebony balloons, as shown in the picture.
5. Tape the three swirls to 3 of the balloons in the topiary ball, using a good quality tape threaded through the loop which is found at the top of each swirl.
6. This design can also be air filled and suspended from the ceiling.
