

# BIRTHDAY EXPLOSION!

Created By Chris Horne, Amscan International Limited.

This colourful and exciting creation will enhance every Birthday celebration. It can be customised to fit any age or theme simply by replacing the Birthday Explosion 18" balloons with any 18" balloon with a similar color pallet – numbers, flowers, animals, sports, etc. It also makes a fantastic statement as a delivered bouquet!

## Product Required

- 1 x 36" Anagram Decorator Curve, Red: (16688-99)
- 1 x 36" Anagram Decorator Curve, Blue: (16231-99)
- 1 x 26" Anagram Decorator Crescent, Purple: (16418-99)
- 1 x 26" Anagram Decorator Crescent, Lime: (16384-99)
- 1 x 26" Anagram Decorator Crescent, Holographic Fireworks: (16244-99)
- 5 x 18" Birthday Explosion (A30090-02)
- 1 coordinating weight of your choice (150g/5oz.+)
- Ribbons to match Curves and Crescents
- Self Adhesive Hook and Loop Tape

## Instructions

1. Inflate all the balloons with helium.
2. Tie both the curves to matching ribbon in the usual way.
3. Attach the Crescents to matching ribbons by tying the ribbon to the point of the Crescent rather than to the tail. Tape up the tails to make them neat.
4. Tape up the tails of the 18" balloons, then attach them to the curves and crescents as shown, using small pieces of self-adhesive hook and loop tape.
5. Assemble the bouquet as required, and tie to the weight.

**Alt:** Make it LARGE by using 42" Curves and 35" Crescents instead!

To comply with specific state laws, the entire design can be air-filled and suspended on various lengths of monofilament line.
